

Charging, Remissions and Hiring Policy

This policy and procedure is subject to The Equality Act 2010 which recognises the following categories of individual as Protected Characteristics: Age, Gender Reassignment, Marriage and Civil Partnership, Pregnancy and Maternity, Race, Religion and Belief, Sex (gender), Sexual orientation and Disability.

Introduction

This charging policy has been compiled in line with DFE requirements and in accordance with s457 of the Education Act, 1996.

The aim of this policy is to set out the circumstances under which the school will;

- levy a charge to Parents/Carers,
- grant a remission of normal charges, and
- ask for voluntary contributions.

Basic Principles

No charge can be made for education during school hours. The definition of 'education' includes materials, equipment and transport provided in school hours by the Local Education Authority or the school to carry students between the school and the activity.

'School hours' are those when the school is actually in session, and do not include the break in the middle of the day.

School trips, visits and practical activities enhance the students' learning and broaden their knowledge and experience. These are undertaken with the voluntary contributions of parents/carers. No student will be excluded from an activity because his or her parents/carers cannot or will not make a voluntary contribution. The opportunity to pay in instalments will be offered to parents/carers who wish to pay in this way.

Voluntary Contributions

There is an exception to the rule about not charging for activities in school hours.

Parents/carers may be invited to make voluntary contributions to extend the value of school funds.

If a particular activity cannot take place without some help from parents/carers, and these are not forthcoming, the activity/trip might not take place. If a planned activity has to be cancelled any monies received will be returned. Contributions will not exceed the actual cost.

Examples where parents/carers may be asked for a voluntary contribution include:

- School Trips
- Enrichment activities e.g. external theatre trips/ projects,
- any activity taking place during or outside school hours including residential trips.

There is no restriction placed on the use which can be made of such contributions.

There will be no obligation for a Parent/ Carer to contribute.

Students will not be treated differently according to whether or not their parents have contributed.

The school encourages Parents/Carers of students entitled to Free School Meals or Pupil Premium to apply for a remission of voluntary contributions. (A student attracts Pupil Premium Grant for the school if they are a Looked After Child or has been entitled to FSM within the last 6 years.)

After School Club

The School may charge parents for these services, out of school hours, and the scale of charges will be approved by the Governing Body on an annual basis.

Ancillary Services

The School may offer additional non educational services and the scale of charges will be approved by the Governing Body on an annual basis. If the service is a one-off, the School may approve the charge.

Remissions Policy

If the parent /carer of a student is in receipt of Free School Meals/Pupil Premium the School may choose to levy charges in respect of a particular activity, if it feels it is reasonable in the circumstances i.e. included in one of the above categories.

Extra Curricular Activities run by External Providers

External providers will set and collect their own charges.

Other charges

The School may levy charges for miscellaneous services up to the cost of providing such services e.g. photocopying.

Breakages & Damages

In cases of wilful or malicious damage to equipment or breakages, or loss of equipment on loan to students, the school in consultation with the Chair of the Governing Body may decide it right to make a charge. Each incident will be dealt with on its own merit and at their discretion.

The school may remit in full or part charges in respect of a student, if it feels it is reasonable in the circumstances.

Exceptions

The School may decide not to levy charges in respect of a particular activity, if it feels it is reasonable in the circumstances.

Scale of Charges

These will be approved by the Governing Body on an annual basis.

Hiring and Lettings

The school will make its facilities available to outside users at a charge of at least the cost of providing the facilities. The scale of charges will be approved annually by the Governing body. Application forms and guidelines for use of premises, conditions of hiring, code of conduct and general advice are available: Appendix 1.

Review

The Governing Body will review this policy annually.
