

# Tuke School Autumn Term 2019 Newsletter

## Celebrations

### NATIONAL TEACHING ASSISTANT DAY 16<sup>TH</sup> SEPTEMBER 2019 – REMEMBERING TO SAY THANK YOU

We celebrated this important day by remembering to praise and applaud our team of highly skilled and committed Special School Support assistants. Teachers contributed to a whole school assembly by showing their appreciation of particular skills or efforts each member of staff has and shared these thoughts.

### Harvest Festival October 11<sup>th</sup> 2019

Thank you for all your food donations this year. Pecan, Southwark, foodbank ensures that your donations reach the people most in need within our local area.

### TUKE SCHOOL VALUES 2019

<b>Creativity</b> <small>Exploration, experience, investigation</small>	<b>Opportunity</b> <small>curiosity, inclusion and diversity</small>	<b>Achievement</b> <small>exploration, experience and investigation</small>	<b>Positivity</b> <small>Aspiration, trust, community</small>
--	---	--	--

Our new Tuke School Values. These Values reflect the principles that are important to our school community

Well done to everyone for this achievement. We continue to be an Investors In People school and our Silver standard reflects the highest value we give to developing our staff. We very much appreciate the contributions made by everyone who works at Tuke. Congratulations to all!

### BLACK HISTORY MONTH OCTOBER 2019

## Black History Celebration

# 'A Spoonful of Sugar' Tuke School end of year

## Production 2019

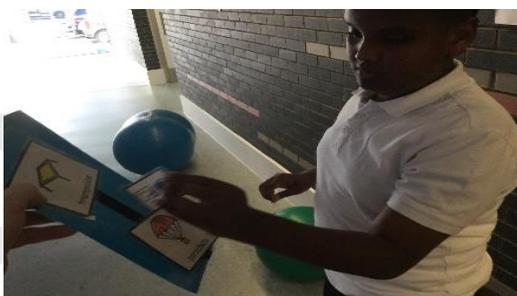

Well done to all our staff and students who contributed so well to our 2019 end of year production. Lawrence devised 'A Spoonful of Sugar' with four Mary Poppins! We were very fortunate that Heeji also offered her services to the school as a pianist; we could not have done it without her! Some special moments from the end of year show....

**Great performances!**

## Curriculum Focus Sensory Circuits –at Tuke

For many of our students, the opportunity to take part in regular sensory circuits is invaluable. Participation in a short sensory motor circuit is a great way to both energise and settle students into the school day. The aim is to focus concentration in readiness for the day's learning. The circuit also encourages the development of the child's sensory processing skills.

## AND FROM THE HEADTEACHER

 A huge welcome to students and their families that started with us at Tuke this term. We have had an industrious start to the new academic year and everyone is now in full swing. Thank you for the contributions that you have made throughout the term and especially the addition collection for the Southwark Christmas appeal 2019. I wish you all a wonderful Christmas and a great new year and look forward to seeing you all again on the 6<sup>th</sup> January 2020.

Heidi Tully
